

Nurture your hidden potential

**Accelerate your success with our life changing course
NG Holistic Professionalism for Sustainable Excellence
on 15th & 16th Feb 2014, between 10 am to 5 pm
at Tango I, The Taj Surya**

Nitya Gurukula's **Holistic Professionalism for Sustainable Excellence** in the Indian context is an experiential workshop for Entrepreneurs, CEOs and Industrialists to create a work-life balance, and develop visions and competencies beyond limitations of self, others and environment.

Take Aways:

Sustainable Excellence translates to

- Increased personal and professional productivity
- Well-being & peace within leading to efficient decision-making and productive workspaces
- Creativity and innovation become a way of personal and professional living, reducing fear of the unknown.
- Relationships at home and work improve and provide sustenance - children blossom and thrive in this environment
- Mindful living and functioning, leading to ethical homes and organizations
- Sustainable Excellence for value addition to Self –Others & Environment

Methodologies:

Lectures, Inquiry, Sharing, Reflections, Interactive Exploration & NG Body, Mind & Spirit connectivity experiences

Fee Structure:

- 1st Jan to 25th Jan - Rs. 15000 + Service Tax • 25th Jan to 5th Feb - Rs. 18000 + Service tax

For registrations contact - Ms. Shylaja: +91 994 470 8267, Ms. Jothi: +91 994 461 7220
